and help them to find job placements. The Cell's activities are initiated by the teaching faculty of different departments.

To keep pace with the present stiff competition, the placement cell has undertaken several measures like organizing seminars, mock interviews, soft skills, communicative skills, personality development, and corporate culture/etiquette and leadership skills to the students.

Our college attracts some of the best names in the industry who know the quality of human resource that we create. The college has integrated the Career Guidance with the Placement cell. The Cell offers guidance to students regarding different path ways in higher education and other career opportunities apart from placement support.

Following are regular features of the Cell:

- Knowledge building sessions.
- Training in basic communication skills.
- Guidance for competitive exams.
- Industrial Training programs.
- Seminar on career awareness.
- Motivational lectures.
- Motivation for self employment.
- Information about emerging career opportunities.
- Special career opportunities for poor students.
- Job fair.
