Homoeopathic Pharmacy

(New Course)

Time : 3 Hours]

[Total Marks : 100

- Instructions :**
- (1) Each question is compulsory.
 - (2) Figures in right indicates full marks.
 - (3) Draw figure if necessary.
 - (4) Write each section in separate main answer sheet.

SECTION - I

1 Define Vehicle. Which are the liquid vehicle. Write down 15
Ethyl Alcohol in detail.

2 Define Mother tincture. Write down the Method of 15
Preparation of Allium cepa Q according to Hahnemannian
old method.

OR

2 Define potentisation. Which are the objects of potentisation. 15
Write down definition and process of trituration in centesimal
scale with its advantages and disadvantages.

3 Write short notes on : (any 4) 20

- (1) Liniment
- (2) Sublimation
- (3) Nosodes
- (4) Alkaloids
- (5) Speciality & Originality of Homoeopathic Pharmacy

Homoeopathic Pharmacy
(New Course)

Faculty Code : D/ME

Subject Code : 8113

Time : 3 Hours]

[Total Marks : 100

- Instructions :** (1) Write each section in separate answer sheet.
(2) Each question is compulsory.
(3) Draw the figure if necessary.

SECTION – I

1. Define Vehicle. Write down method of preparation, property, uses and purity tests of sugar of milk. 15
2. Which are the different sources of homoeopathic pharmacy ? Write down plant and animal kingdom in detail. 15

OR

Define mother tincture. Write down the method of preparation of Allium cepa Q according to class II Hahnemannian old method.

3. Write down short notes on : (any **four**) 20
 - (a) Glycerol
 - (b) Phytum
 - (c) Distillation
 - (d) Fluxion potency
 - (e) Collection of Plant kingdom

SECTION – II

4. Define Potentisation. Write down method of succussion in detail. 15

OR

Write down percolation in detail.
5. Define Prescription. Write down its parts, norms, importance and Prescription writing of a patient suffering from tonsillitis. 15
6. Write down short notes on : (any **four**) 20
 - (a) Dispensing of homoeopathic medicine in globules.
 - (b) Decimal scale.
 - (c) Scope of homoeopathic pharmacy in relation to Materia Medica.
 - (d) Speciality and Originality of homoeopathic pharmacy.
 - (e) Water bath.

Homoeopathic Pharmacy

Time : 3 Hours]

[Total Marks : 100

- Instructions :**
- (1) Write both sections in **separate** answer books.
 - (2) Draw diagram if **necessary**.
 - (3) Question - 1 in both sections is **compulsory**.
 - (4) Figures to the **right** indicate **full** marks.

SECTION - I

- 1 How would you prepare petroleum mother substance according to old Hahnemannian method ? How would you convert it into liquid form ? 14

- 2 Write any **two** : 20
 - (a) Homoeopathic philosophy regarding the local disease and local application.
 - (b) What is dispensing of homoeopathic medicine ? Give various dosage forms with its indication.
 - (c) Explain why the cure of any given case of a disease does not depend only on selection of proper medicine but also depends on smallness of dose.

- 3 Write short notes : (any **four**) 16
 - (a) Define crystallization and give its use
 - (b) Water bath
 - (c) Globules
 - (d) Schematic representation of process of trituration
 - (e) Oral route
 - (f) H.P.I.

SECTION - II

1 Why "50 Millesimal Scale" was invented by our master ? 15
Give reason of it. When will you use this scale in practice ?
State its advantages and disadvantages.

2 Justify that "The knowledge of homoeopathic pharmacy 10
improves our knowledge of materia medica".

OR

2 Schematic representation of the process of preparation 10
and purification of sugar of milk.

3 Write in short : (any five) 25

- (a) Prepare an external application 20 gm for rheumatic pain.
- (b) Phytum
- (c) Preservation and labelling of potentised drug
- (d) Maceration
- (e) Nosode - sarcodes
- (f) Different parts of prescription writing with its content
- (g) Potency.

Homoeopathic Pharmacy

Time : 3 Hours]

[Total Marks : 100

- Instructions :** (1) Attempt both sections **seperately**.
(2) Draw figure if **necessary**.
(3) Question - 1 in both sections is **compulsory**.

SECTION - I

- 1 Define vehicle, why sugar of milk is an ideal solid vehicle ? Discuss in length about its properties, preparation and purification. 15
- 2 How homoeopathic pharmacy will help you as a physician in your practice. 15

OR

- 2 Ennumerate different laboratory methods used in homoeopathic pharmacy. Discuss sublimation and crystallization in detail. 15
- 3 Write short notes : (any **three**) 20
- (1) Difference between nosodes and sarcodes
 - (2) General rules of collection of animal drug substances
 - (3) Mortar and pestle set
 - (4) Globules
 - (5) H.P.U.S.
 - (6) Sources of Homoeopathic Pharmacy.

SECTION - II

- 1 Discuss importance of "50 Millesimal scale" and its method of preparation and potentisation. 15
- 2 Role of vital force and hahnemannian views regarding local disease and local application. 15

OR

- 2 Discuss concept of posology in detail. 15

(2) Draw diagram if necessary.
(3) Figures to the **right** indicate **full** marks.

SECTION - I

- 1 What is potentisation ? What are the methods of potentisation ? Describe any one of them in detail. 15
- 2 What is drug ? Write the forms of drug and describe class-I and class-II in detail for preparation of mother tincture. 15
- 3 Write in short : (any **two**) 20
 - (1) Medication of the globules (small scale)
 - (2) Parts of prescription
 - (3) Write in detail about Nosodes and scarcodes.

SECTION - II

- 4 Describe pharmacology in detail. 15
- OR**
- 4 What is scale ? Types of scale care used in homeopathic and describe preparation of Lm/2 potency in detail. 15
 - 5 Describe drug proving in detail. 15
 - 6 Write short notes : (any **four**) 20
 - (1) Potentised and proved drug
 - (2) Lactopen
 - (3) Desicator
 - (4) Pharmacopoeia
 - (5) Ointment
 - (6) Sublimation.

Instruction : Each section should be written in **separate** answer book.

SECTION - I

- 1 Define vehicle. Write different types of vehicles \bar{C} examples and explain in detail about saccharum lactis. 15

OR

- 1 Explain new method of preparation of mother tincture. 15
- 2 Define drug dynamisation and explain how Dr. *Halinemann* arrived at the theory of potentisation and give advantages and disadvantages of potentisation. 15
- 3 Write short notes : (any **four**) 20
- (a) Difference between sarcodes and mosodes
- (b) Pharmaconomy
- (c) Define ointment and write its method of preparation and uses
- (d) Difficulties of old method of preparation of mother tincture
- (e) Write meaning of following abbreviations :
QID, HS, PC, Rx, SOS, Gtt., Gr., Gm.,

SECTION - II

- 4 Justify – knowlege of pharmacy helps to increase the knowledge of materia medica. 13

OR

- 4 Justify use of external aplications in homoeopathy is against the principles of Homoeopathy but they are essential part of treatment. 13
- 5 Write prescription writing in detail. 13

Homoeopathic Pharmacy
(New Course)

Time : 3 Hours]

[Total Marks : 100

Instructions : (1) Each question is compulsory.

(2) Figures in right side indicates marks

SECTION-I

- ✓ 1 Define pharmacopoeia. Write down different official pharmacopoeias in detail : 15
- 2 What is vehicle ? And write down about the preparation, properties, uses and purity tests of ethyl alcohol. 15
- OR
- 2 Write down the method of percolation in detail : 15
- 3 Write short notes on : (any four) 20
- (a) Liniment
 - ✓(b) Homoeopathic drugs prepared from animal kingdom.
 - ✓(c) Lactopen
 - ✓(d) Staph's process of sugar of milk
 - ✓(e) Sublimation.

SECTION-II

Define potentisation. Prepare CALC CARB 7 × from its previous potency by the method of trituration. 15

5 How will you prepare Allium cepa mother tincture according to Hahnemannian old method ? 15

OR

5 (i) Which are the different routes for the administration of homoeopathic drugs ? 8

(ii) Write down the method of preservation of homoeopathic medicines in detail. 7

6 Write short notes on : (Any four) 20

(a) Homoeopathic ointment

(b) Fluxion potency

(c) Ideal prover

(d) Speciality & originality of homoeopathic pharmacy

(e) Medication of globules in small scale.

[Total Marks

- Instructions :
- (1) Draw figure when necessary.
 - (2) Both section write separately in different supplementary.
 - (3) Please write Exam number on question paper.
 - (4) First question should write compulsory.

SECTION - I

- 1 Describe the sources of Homeopathic Drugs? Write about Mineral Kingdom in Detail. 15
- 2 Write in Short : (Any Two) 15
 - (a) Routes of Administration of Homeopathic medicines.
 - (b) Stapf's Process.
 - (c) Succussion.
- 3 Write Short Notes : (Any Four) 20
 - (a) Decimal Scale
 - (b) Hydrometer
 - (c) Rapid Filtration
 - (d) Measurement of Globules
 - (e) Food value of Alcohol

SECTION - II

- 4 How will you prepare Thuja mother tincture according to old method Class - III ? 15

MCM-M201634]

1

[Contd....

5 Write in Short : (Any Two) 15

- (a) Define drug proving and discuss requisite qualities of human prover.
- (b) Pharmacology
- (c) Write down the method of preservation of homeopathic medicine in detail.

6 Write Short Notes : 20

- (a) Fluxion Potency
- (b) Dispensing of Homeopathic medicine in globules.
- (c) Tenets of organon towards local application.
- (d) Difference between Maceration and Percolation.
- (e) Drug and Cosmetic Act.
